BUSINESS CHECK-UP:

HOW TO KEEP YOUR BUSINESS HEALTHY

TAMPA, FL - Healthy businesses take time, energy and money to run well. Human resources and diversity are critical components of a healthy organization. [The Pascall Company, LLC](#) hosts a business forum on **Tuesday, May 24 at 6:30 p.m.** to share key essentials on how to successfully manage a business. The event is open to the public and attendees will receive a free business health assessment.

Guest speaker, Claire Saady, an employment attorney and expert in employment law will discuss how to protect companies from lawsuits and the importance of human resources and diversity as critical components of a healthy organization.

The Pascall Company integrates diversity and human resources into a company's overall business strategy, resulting in a more productive and profitable organization. "It's so important as business owners to be proactive, minimize your liability and ensure that your business remains healthy. The Pascall Company is an expert with HR and Diversity business management. We invite you to join us for this exciting forum and business check-up," Maria Pierre, The Pascall Company, CEO.
